Recycling we are able to accept

Plastics
Aluminum
Newspaper
Tin
Cardboard
Used Clothes
Used Cards

When you recycle, you produce a raw material for a manufacturing process. Because of this, your recyclables must conform to certain specifications. We do reject contaminated pick-ups or drop-offs. Please follow the guidelines for this recycling program very carefully and rinse out all recyclables.

We want to encourage and educate the community to reduce, reuse and recycle.

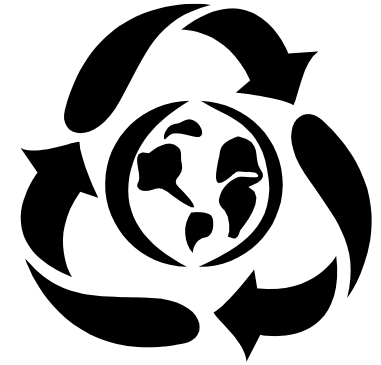

The North Dakota Century Code (Section 23-29-20) established goals for landfill reductions of 10, 25, and 40 percent.

Recycling can provide a significant portion of this reduction.
